JAUNE

finds you

The background features a white central area with yellow vertical bars on the left, right, and top. The top has three bars of varying widths, and the bottom has three bars of varying widths.

You don't look for a feeling,
It finds you.

In the light. In the heat.
In the bite of something cold
and citrus.

In the wave you didn't expect.
In the color that keeps showing up.

JAUNE *finds you.*
